

SPOR

Efficiency, quality and longevity make the AMTEK family of luminaires an integral component of your optimized lighting plan.

SPECIFICATIONS

TECHNOLOGY	LED
POWER	9 W
VOLTAGE	48 VDC
LUMENS	959 delivered
EFFICACY	106.56 lm./W
CRI	> 85 Ra.
CCT	3000 Kelvin*
DIMMABLE	0-100%
FLICKER	Flicker free
BASE MATERIAL	ABS
DIFFUSER MATERIAL	PMMA impact resistant
LIFETIME	> 50,000 hrs.
OPERATING TEMPERATURE	-10°C to +40°C
IP GRADE	IP 67
WARRANTY	5 years
NET WEIGHT	0.3 kg.
CERTIFICATION	CE RoHS

* Other Kelvin, UV-A, blue, red, green and combination dimmable lamps available.

APPLICATIONS

Whether mounted on a short lightweight cable or directly on a E26 socket, the versatile **SPOR** luminaire is an excellent option for floor farm operations. Regardless of ceiling height, **SPOR** delivers ideal light levels for birds on the lower section of the space**. Its *Plug-and-Play* assembly on fixed steel cable makes installation easy.

LAYING HEN FLOOR	BROILER & TURKEY FLOOR	PARENT STOCK FLOOR	REARING FLOOR
<ul style="list-style-type: none"> • 2.5 m. height • 4 m. distance between lamps 	<ul style="list-style-type: none"> • 2.5 m. height • 3.6 m. distance between lamps 	<ul style="list-style-type: none"> • 2.5 m. height • 2.6 m. distance between lamps 	<ul style="list-style-type: none"> • 2.5 m. height • 3.6 m. distance between lamps

** Depending on lamp installation, it is possible to get an average of 100 lx. at floor level.
